383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**AGREEMENT TO PURCHASE
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTY
SUPERVISORIAL DISTRICT 3- AGREEMENT NUMBER 2331
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chairman to sign the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" property being acquired by a public agency pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all back property taxes, penalties and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreement of "Tax Defaulted Subject to Power to Sell" property.

PURPOSE OF RECOMMENDED ACTION

The property described in the agreement may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970. Exhibit "A" attached to the agreement indicates the legal description and selling price of the parcel.

Upon approval, the enclosed agreement and copy are to be signed by the Chairman and returned to the Treasurer and Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreement as to form.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of this agreement is also in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are at least partially recovered and limited use parcels are identified for appropriate public purposes.

JUSTIFICATION

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The property described in this letter will be acquired by City of Calabasas. It is the intent of this agency to utilize this property for open space purposes and protection of an important wildlife corridor.

FISCAL IMPACT / FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all back property taxes, penalties and costs on the delinquent parcel. Any remaining tax balance will be cancelled from the existing tax rolls.

Existing appropriation is available in the current 2003/2004 Budget for publication costs. Publishing in accordance with Section 3798 of the Revenue and Taxation Code is the most cost-effective method of providing adequate notification to parties of interest.

FACTS AND PROVISIONS/ LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

A summary of the public agency's purchase is attached. This attachment indicates the affected Supervisorial District and the use for which the property is being acquired. Moreover, we have attached copies of the relevant sections of the Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreement as to form. Attached to the agreement is the Assessor's parcel map showing the dimensions and general location of the affected parcel.

The Honorable Board of Supervisors

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:

That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:

This office has recently completed a review of the policies currently in use with regard to the acquisi-

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the \$1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

CITY OF CALABASAS GENERAL PLAN:

AGENDA FOR THE 21ST CENTURY

I. INTRODUCTION

Calabasas is a community preparing to meet the 21st Century. As the world changes economically and socially, and technological innovation changes the way we live, Calabasas is looking beyond conventional wisdom and beyond the way things have always been done, to define a vision of its future. The Calabasas General Plan represents the City's first comprehensive effort to define what makes Calabasas a special place, delineate a vision for its future, and to formulate action-oriented programs to achieve that future. In addition to functioning as the City's lead policy document as to how it will manage its future, the General Plan is the City's official policy statement identifying Calabasas' expectations regarding the activities of other agencies as they will affect the community in the future.

Calabasas was founded as a separate community, away from the urbanization and congestion of the Los Angeles metropolitan area. From its early days, Calabasas maintained a pioneer spirit as "The Last of the Old West." In looking to the future, Calabasas must identify the characteristics that distinguish it from other communities within the metropolitan area, and which cause people to find it to be a good place to live.

Calabasas also faces the challenge of preserving its unique character and environment. The primary issues which Calabasas will face in the future will focus on managing the area's existing natural and built environments, rather than on reviewing new development proposals. While exercising the local management responsibilities the City gained through incorporation, a greater emphasis will be placed on environmental protection, design compatibility, and transitions between urban and rural land uses than occurred in the past when, as a developing community, the primary emphasis was on development review.

Calabasas is located in western Los Angeles County along the heavily traveled Ventura Freeway, approximately 25 miles from downtown Los Angeles (see Figure I-1). Neighboring cities include Los Angeles, Agoura Hills, and Hidden Hills. In addition, a portion of the City's northern boundary borders the Ventura County line. As of 1993, the City of Calabasas' incorporated boundaries encompassed approximately 12.9 square miles, or 8,269 acres of land, and had an estimated population of 19,857. In addition, the General Plan addresses an unincorporated area that is home to approximately 1,900 residents, and occupies 19.0 square miles, or 12,186 acres. This unincorporated area is located primarily north and south of the City (see Figure I-2).
